## Rivers of Living Water

Revd Alan Clarredge is sending a container out to Zimbabwe at the end of October. Any items for this container should be with Alan by the end of September/early October. Yarn with Yarn have a number of shawls and outfits for newborn babies which will be taken to Alan. In her Minute for Mission, Eileen Thurston, gave a list of other items that would be welcomed, including school items and sweets. (See current issue of Pathway) Alan also takes out medications, which are unused. They must be unopened packages (part packages are not acceptable) which are 'in date' at the end of January. The hospitals in Zimbabwe are particularly short of painkillers. For further information please speak to Pat Johnson or Eileen Thurston.
